Where Next?

After the thrill and excitement of a safari, enjoy a few nights relaxing in a beach resort, these are just some of our suggestions.

Zanzibar: choose from hotels in the historic capital, Stone Town or one of the Spice islands' many luxurious beach front hotels.

Mombasa: Kenya's coast is the perfect place to relax, with soft white sand lapped by the warm blue waters of the Indian Ocean.

Dubai: combine a few nights before or after Elewana Sky Safari in Dubai when flying Emirates Airlines. Dubai is ever-changing, with its man-made islands, world class hotels and a host of entertainment and activities.
